# **TRAIL OBSTACLE TRAINING AND CHALLENGE**

**Sunday August 26th, 11:00 AM - 3:00 PM**  
**Bridle Trails State Park**

---

Obstacle training develops calmness, balance, responsiveness to aides, and trust between horse and rider, using objects and terrain found/encountered on the trail and in the “real world”. It carries over to any type of riding in all disciplines, and is beneficial for horses and riders at any age and stage of training.

---

---

A variety of objects and challenges will be set up around the arena, and you will be free to experiment with and experience them at your own pace in a safe and supervised environment. Barrels, poles and flags will be set up in the big arena for gaming practice.
